

Northeast Asia tourism development based on Korea experience

JUNG Ki-Youn

Director, Public Relations Managing Team,
Corporate Relations Strategy Division, Hanatour Service

Tourism in the region of Northeast Asia is becoming very active. However, due to the deployment of Terminal High Altitude Area Defense (THAAD) in the ROK in 2017, as China imposed restrictions on group tourists, the number of tourists between the two countries dropped sharply.

In order to promote common development in Northeast Asia, we will try to prevent this situation from happening again.
